How to View a Member's Badge Awards from Their Profile

1. Open the member profile and scroll to the Awards section 0:00

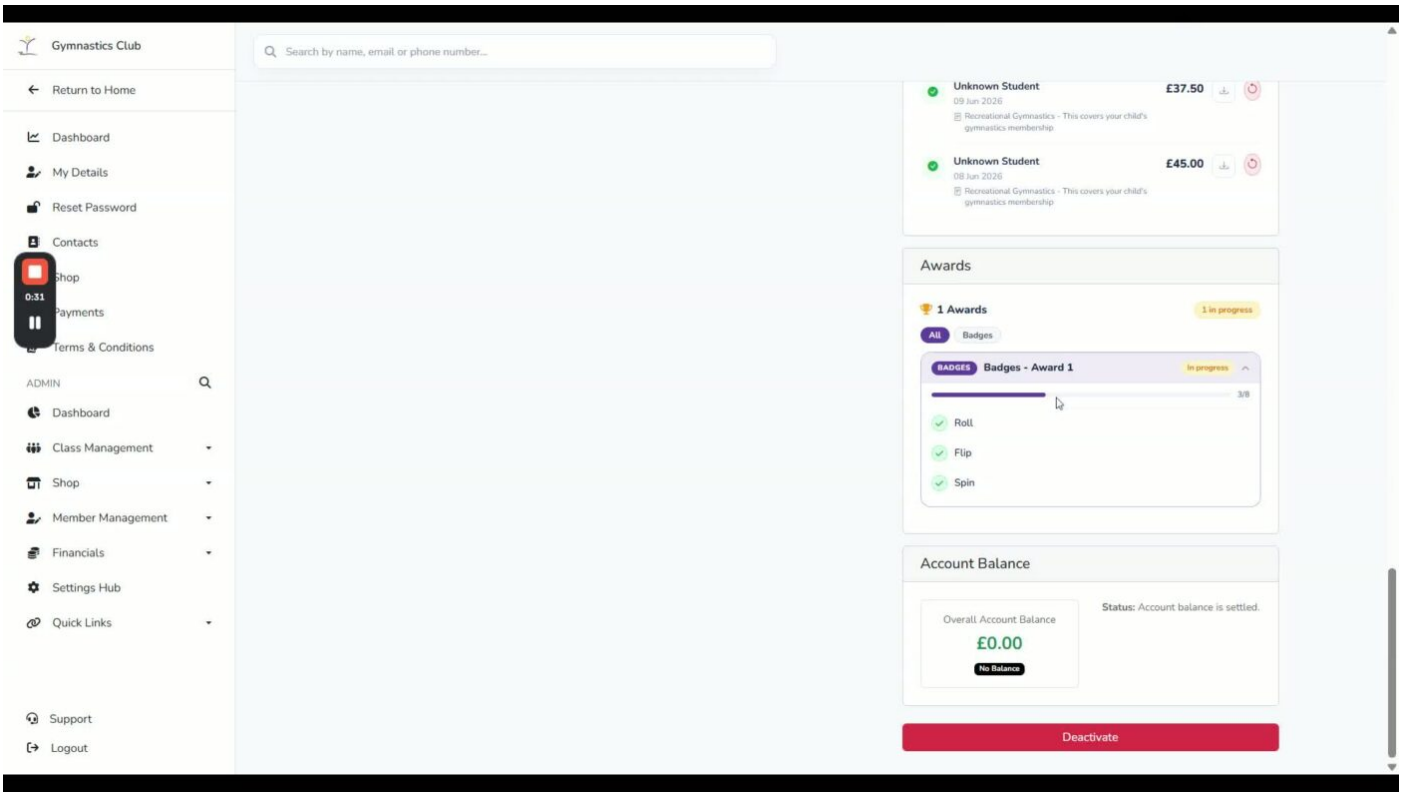

- Start from the member's profile area.
- Scroll down toward the bottom of the profile.
- Locate the **Awards** section, where badge information is displayed.

2. Review badges the member is currently working toward 0:14

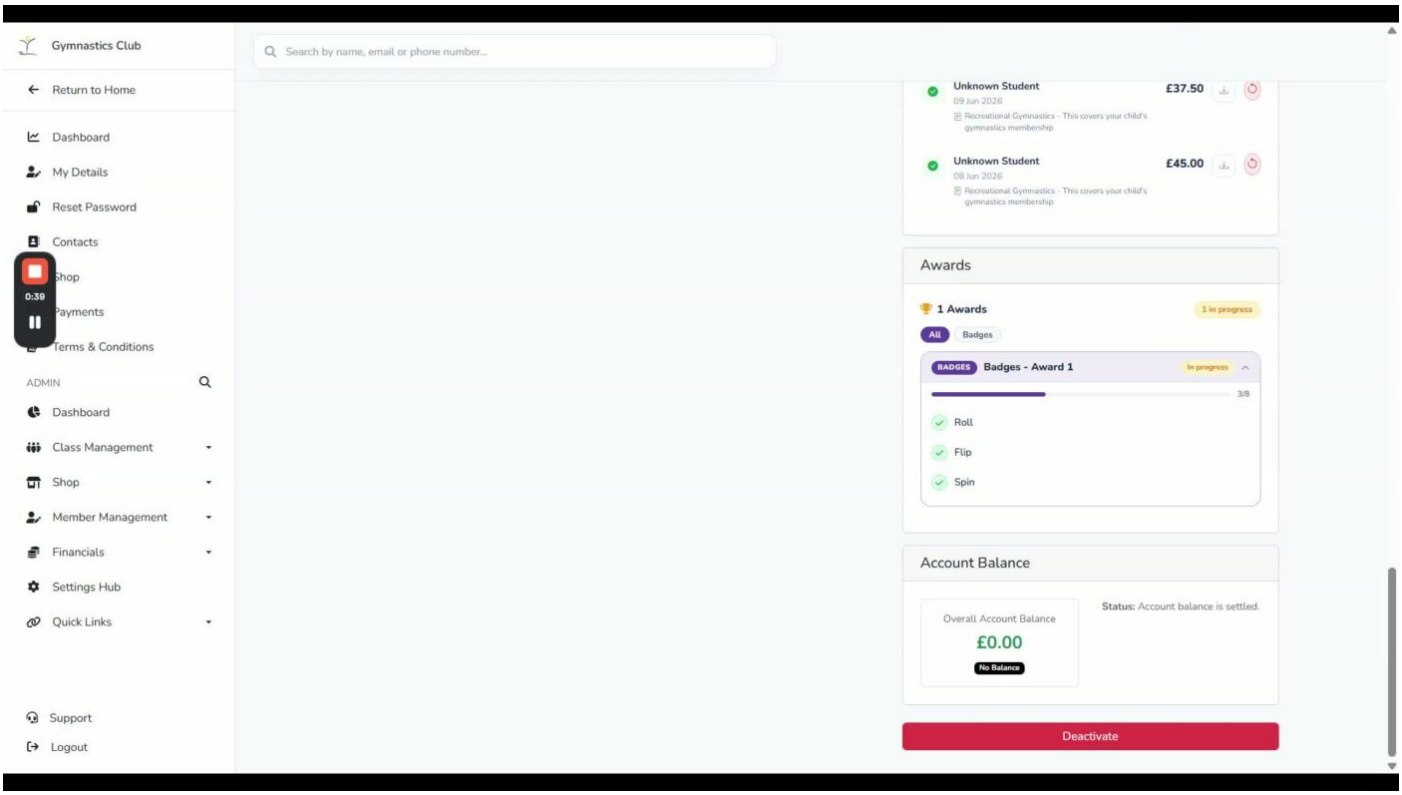

- The first view shows the badges the member is actively progressing through.
- Check the **skills required** to pass the badge.
- Use the progress bar to see how close the member is to **100% completion**.
- This helps you quickly understand their current achievement progress.

3. Switch to the Badges tab to view achieved awards 0:32

- Click the **Badges** tab.
- This tab displays the list of awards the member has already achieved.
- If no badges have been added yet, the list may appear empty.

4. Use the badge history to confirm correct awards 0:40

- Review the achieved badges to keep track of what the member has earned.
- Use this information to make sure they receive the correct badge at the next assessment.
- This helps maintain accurate award tracking in the system.
