How Parents Book Pay-As-You-Go Classes

Pay-as-you-go classes let parents book and pay for individual sessions instead of a term or subscription. This guide shows the booking steps a parent sees.

Booking a pay-as-you-go class

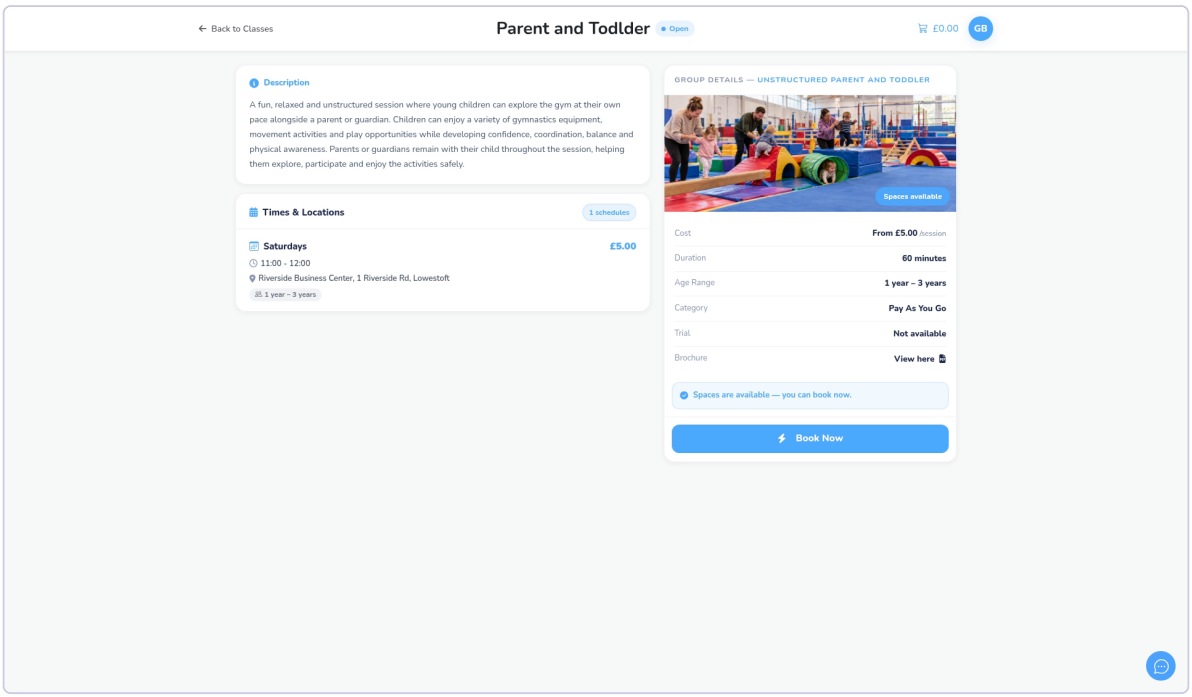

1. Find the class (0:00)

- On the club's classes page, find the pay-as-you-go class. Each card shows the day, time and age range, for example **1 year – 3 years**.

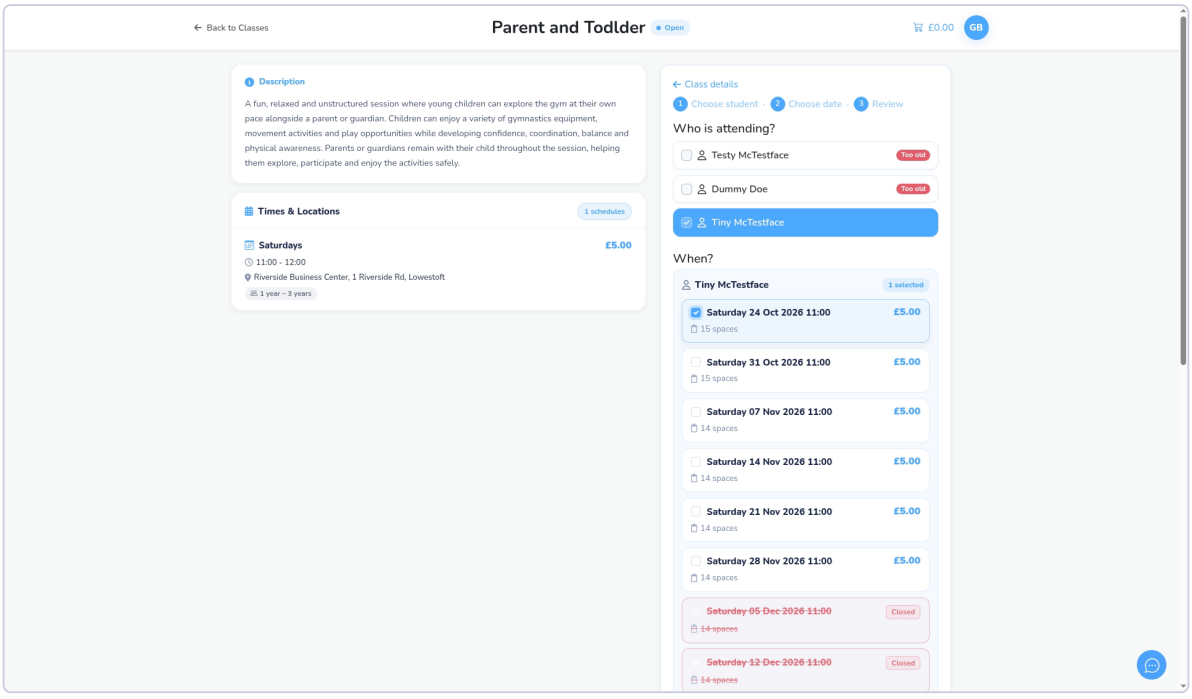

2. View more information (0:14)

- Click **More Info** to see the class description, image, time, location and price.

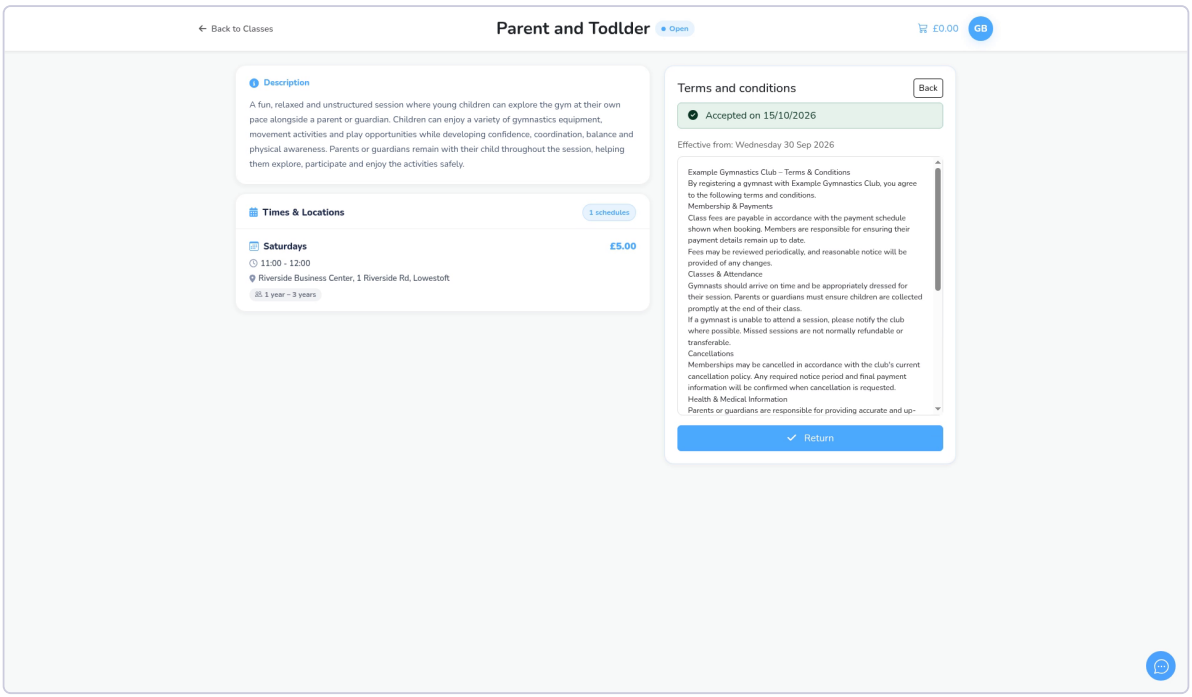

3. Book Now and choose who's attending (0:26)

- Click **Book Now**.
- Under **Who is attending?**, pick your child. A child who can't book shows the reason, for example **Too old** when the class is for under-4s.

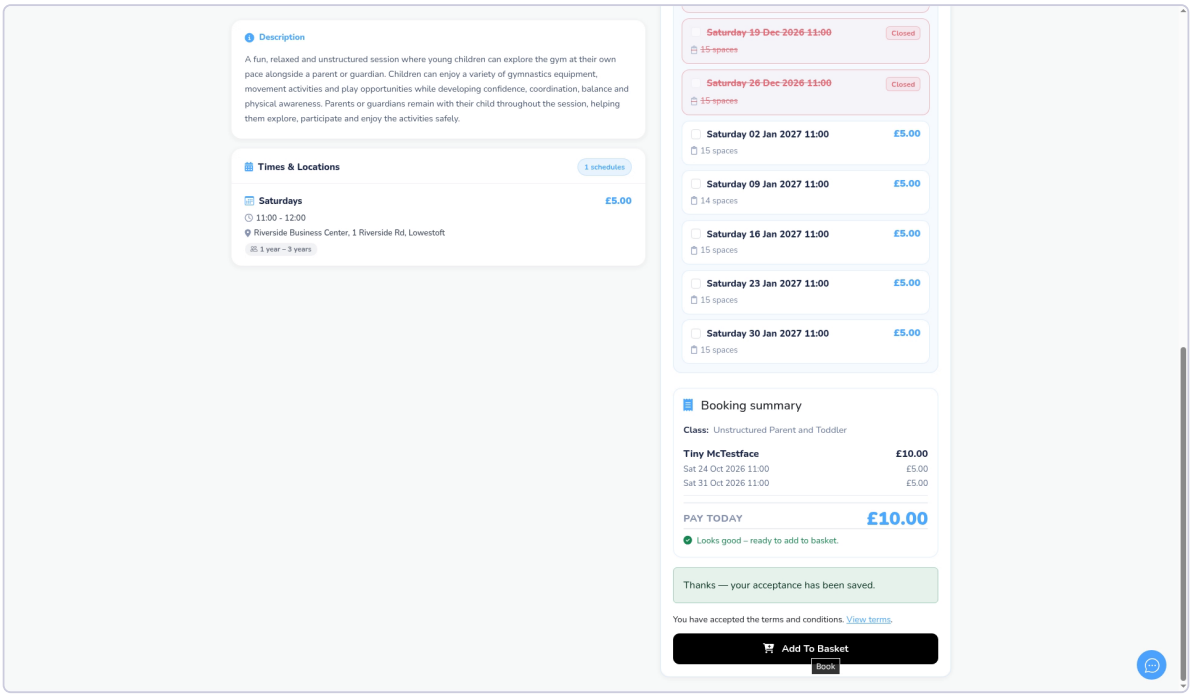

4. Pick sessions and check the terms (0:39)

- Under **When?**, tick each session you want. You can book several weeks.
- Click **View terms** to read the club's terms and conditions, then **Accept and return**.

5. Check the summary and add to basket (0:50)

- Check the **Booking summary**: each child, their sessions and the **Pay today** total, for example £10.00 for two sessions.
- Click **Add To Basket**.

Basket, payment and confirmation

- After **Add To Basket**, the basket lists each child's sessions so you can check everything in one place.
- Pay with your saved default card. Once payment goes through, you're taken to a confirmation page.

- You'll also get a confirmation email with the details of the sessions you booked.

Good to know

- If some sessions are full, the button changes to **Add to basket & waiting list** or **Add to waiting list**.
- Closed sessions are marked **Closed** and can't be picked.
- Clicking **Accept and return** in the terms (or **Return** if you've already accepted them) records that you accept the club's terms. Ticking the terms box does the same.
